

## Story Instagram

The image is a vertical Instagram story template for the brand "Paper dreams". It features a central black and white photograph of a woman with dark hair, styled in an updo, wearing a light-colored button-down shirt. She is looking down and to her right, with her hand near her chin in a thoughtful pose. The background is a plain, light grey. Above the photo, there is a quote in French: "Le peu qu'on peut faire, le très peu qu'on peut faire, il faut le faire." To the left of the photo, the brand name "Paper dreams" is written vertically in a white serif font. The entire composition is set against a green background with white line-art illustrations of leaves and branches. At the bottom, there is a white triangular graphic containing a spool of brown thread and several small, colorful spools of thread (orange, red, green, pink) along with a pair of small gold-colored scissors. Below this graphic, the slogan "Des vêtements écologiques pour tous" is written in a white, cursive font.
